INTRODUCTION

Welcome to LakeRidge United Methodist Church Children's Day Out Program. Your child is a special person to us. Our goal is to provide a healthy, happy, Christian atmosphere for the children and parents and bring a Christian perspective to a quality nurturing and learning environment.

LakeRidge Children's Day Out Program is a non-profit Christian outreach service of LakeRidge United Methodist Church.

We hope your family will find many opportunities for growth at LakeRidge UMC and are pleased you have chosen our Children's Day Out Program. If you have questions or need more information, please call us at 806-698-5709.

Opportunities at LakeRidge Children's Day Out

Children's Day Out is an activity-oriented program for children ages three months to two years. The program offers full days and half days. Weekly themes, Bible stories, art/creative activities, supervised free play, and music are part of the developmentally appropriate setting that encourages young children to explore God's world.

Extended Care is a program designed for children that attend LakeRidge's Three and Four Year Old Preschool and Kindergarten. This program is offered on Tuesday and Thursday from 12:00 pm - 2:45 pm. The children will have lunch and a rest time. Also, Bible stories, art/creative activities, supervised free play, and games are part of the developmentally appropriate setting that encourages young children to explore God's world.

Children's Day Out Hours

The Children's Day Out program is available from 9:00 am -2:45 pm or half day from 9:00 am -12:00 pm. If you have more than one child, please begin the pick up process in time to pick up the last child by 12:00/2:45 pm. Due to our strict monthly budget, we may not allow children to remain in school unless tuition is paid. A \$25 return check fee will be charged if monthly check is returned. **THERE ARE NO REFUNDS FOR MISSED DAYS** because teachers must be paid and supplies must be purchased to accommodate a certain number of children.

Late Pick-Up Fees

You will be charged a \$25.00 late pick-up fee if your child(ren) are in the CDO directors care when you pick him/her up.

Being late to pick up your child makes it difficult for the employee's of CDO to pick up their own children and it is also very upsetting to the child who has been left to wait on mom or dad.

We ask for you help and promptness in this matter so that we will not have to utilize this late fee policy.

DROP-OFF AND RELEASE OF CHILDREN

For the security of your children, we are using the Shelby Next check-in system. Parents may download the Shelby Next App on their phone and can check in children once they are in the LRUMC parking lot. Attendance stickers will be waiting on the child in the classroom. There are also two check in kiosks in the Welcome Center of the Children's Building (located near the elevators). Parents will use the same Shelby Next process to check out their child at the end of the day. If anyone other than adults authorized through the Shelby Next system will be picking up your child, the Director will need to be notified by the parents. The Director will also record the individual's drivers license and car tag number.

Each morning door #15 will be unlocked at 8:25 and automatically lock at 9:15 am. For noon pickup, the same doors will be unlocked at 11:45 and then locked again at 12:10 pm. If you arrive at a time the doors are locked, please enter through the Main Church Office doors. The teachers have been instructed not to leave their rooms at any time to open any doors. There will be a \$10.00 late fee if you are in violation of this policy.

Parking Lot Safety

Please remember that safety is our number one concern. Please drive slowly and with caution so that everyone is safe in the LakeRidge UMC parking lot. Help us police the parking lot to ensure safe arrivals and departures from school.

Arrivals

We ask that parents do not enter the classroom when dropping off or picking up your child each day. This is for the safety of each of our children, as well as, to make the transition from parent to teacher/ teacher to parent much smoother.

We ask that you please sign your child in each day. Please leave a phone number where you can be reached that day and who will be picking up your child if it is someone other than yourself. If someone that the teachers are not familiar with is picking up your child, they must first come by the Director's office to sign your child out.

If you have any special instructions or circumstances that you would like the teachers to know, please have this in writing and hand it to the teacher before leaving your child. It is helpful to the teacher to have special instructions in writing because he/she is dealing with several children.

It is important that you have your child here on time. If they are as much as 15 minutes late, they will possibly miss music or large motor/ fine motor development activities. It also helps the class with their daily schedules such as snack, lunch, and nap.

Parent Communication

Parent communication is very important to us. It is our responsibility to provide parents with information about their child's day. It is the parent's responsibility to know what is happening each day with their child. We feel strongly about working together as a team.

We will be sending out monthly calendars that will convey the unit of study/focus each week, as well as special activities.

Daily reports will be given out at the end of each day. These cards give parents more specific information about the child's lunch, rest time, favorite activities, and diaper changes.

Health and Safety

Your child's health is very important to us.

LakeRidge will only accept students who are on an immunization schedule. No immunization exemptions will be accepted!

A current immunization record must be on file by the first day of attendance. The record must be updated each time your child receives immunizations. Immunization Records can be faxed to 806-794-2266. We also require a Physician's Statement, which must be signed by the child's doctor each year.

We will provide vision & hearing screening.

Communicable diseases spread quickly in classrooms. Please check with your physician before returning your child to school after recovering from a communicable illness. **MEDICATION CANNOT BE GIVEN AT SCHOOL.**

You must keep your child home if one or more of the following exists:

- The illness prevents the child from participating comfortably in child-care center activities including outdoor play;
- The illness results in a greater need for care than caregivers can provide without compromising the health, safety, and supervision of the other children in care;
- The child has one of the following:
 1. An oral temperature above 101 degrees that is accompanied by behavior changes or other signs or symptoms of illness;
 2. A tympanic (ear) temperature above 100 degrees that is accompanied by behavior changes or other signs or symptoms of illness.
 3. An axillary (armpit) temperature above 100 degrees that is accompanied by behavior changes or other signs or symptoms of illness;
- Symptoms and signs of possible severe illness such as lethargy, abnormal breathing, uncontrolled diarrhea, two or more vomiting episodes in 24 hours, rash with fever, mouth sores with drooling, behavior changes, or other signs that the child may be severely ill;
- A health-care professional has diagnosed the child with a communicable disease, and the child does not have medical documentation to indicate that the child is no longer contagious.

No specific vaccinations for employees are required by LRUMC; however, all employees are encouraged to follow the recommendations of their primary care physician regarding immunizations for teachers of young children.

A health check is a visual or physical assessment of a child to identify potential concerns about a child's health, including signs or symptoms of illness and injury. Health checks may be conducted if necessary

Medical Emergencies

In case of accidental injury, we will make an immediate attempt to contact a parent. If we can not reach a parent, we will refer to the emergency contact information that you have provided. If necessary, we will call an ambulance and have your child taken to your designated hospital in the company of a staff member. The physician, ambulance attendant, paramedic, director or teacher will be in charge and make all decisions about the care of the child until relieved by a parent. Parents will be responsible for any resultant expenses. We will maintain a parent signed consent form agreeing to the provision. It is to your child's benefit that you keep the forms up to date with correct phone numbers and other pertinent information.

Lunch

Children must bring their own lunch consisting of finger foods and a drink. Send the lunch in a lunch box or sack. Please send foods children can handle themselves without a lot of assistance. Do not send food that needs warmed. This causes your child to wait for their lunch while the other children are eating. Please do not send colored (red, blue, or purple) juice in your child's lunch, as it will stain the carpet if spilled. Please send any utensils your child will need for lunch and **label all of your child's belongings** to avoid lost items. Milk will not be available for purchase. Please remember to cut grapes and weenies into bite size pieces.

Rest Time

Each child in the full day program has a nap or quiet time during the day. Babies nap according to their own schedules. Children one year of age to three year olds, rest after lunch. (Please see Child's Belongings section for items your child will need.)

Music

Our program offers a music class for the babies through two year olds. We enjoy presenting a Christmas and Spring music program so you can see the accomplishments of your child.

Parent Volunteers

There are occasions in which parent help is needed in order to enhance the quality of our program, to ensure the safety of each child, and to keep our costs to a minimum. We can never have too many adults to help supervise children.

There are various times during the year when parents are needed for special occasions such as picture day, special events, and teacher appreciation luncheons. Please see the director if you are interested in any volunteer work.

Birthday Celebrations

If you want to bring a special snack for your child's class in honor of his/her birthday, please notify the teacher in advance. However, we must ask that you not bring cupcakes. We recommend sugar cookies, as these are easier for little guys to handle. Too much stimulation (clowns, balloons, noise makers, etc.) makes for very active children. Please ask your child's teacher for appropriate birthday suggestions. Please do not hand out birthday invitations unless everyone in the class is invited.

Holiday Schedule

Holiday schedules will follow Lubbock ISD. Please check the preschool calendar for tentative dates to remember.

Inclement Weather Policy

If LISD delays school, Children's Day Out and Preschool will start at 10:00 am. We will not have early stay on delayed days. If LISD cancels school, Children's Day Out and Preschool will be canceled as well. Should turbulent weather occur during school hours, the children will be taken to the basement. During this time, our priority will be to move the children to safety as soon as possible. Every precaution will be taken to insure the safety of your child.

Biting

For the safety of all children enrolled in our Children's Day Out program, we have a biting policy. If a child bites any other child 3 times, then he/she will be asked to take a two week leave. After the two week period, the child is welcome to come back to the program. If the child continues to bite, then a meeting will be set up with the parents to evaluate the child's position within the program. Each child's safety and well being is of utmost important to the staff here at LakeRidge UMC Children's Day Out. We appreciate your understanding and cooperation with this matter.

Discipline

Children need to have their physical needs met before any learning can take place. As they develop, their need for social interaction is increased. Many times children will use inappropriate actions to get the attention of another individual. When this happens, correct behavior will be demonstrated and the child's attention will be diverted to another activity. If the child continues to misbehave and verbal warnings do not bring positive results, the teacher will remove the child from the situation or activity and place him or her in a "thinking chair." In the "thinking chair," the teacher will place the child in a chair in a remote part of the room and discuss the unacceptable behavior. This will give the child time to evaluate the situation and re-direct his/her behavior. If after repeated "thinking chairs," the child's behavior is still deemed unacceptable, the teacher will ask the director for assistance, who will then discuss the behavior with the parents. If any child endangers the physical well being of another child, he or she will be dismissed from the program without a refund. Caregivers teach respect for others by showing respect for each child. This is demonstrated to the children by listening when they talk, showing sincere concern for their feelings, and by not allowing others to hurt them. All children will be encouraged and praised when appropriate behavior is demonstrated.

Child's Belongings

Infants: All of the following must be brought each day and **labeled with your child's name**: a day's supply of diapers, a lightweight blanket, a bib for lunch, a change of clothes in case of an accident, and any other important items your child needs like a pacifier or cuddly animal.

Toddlers and Two Year Olds: All of the following must be brought each day and **labeled with your child's name**: a day's supply of diapers (if needed), a bib for lunch (if needed), a change of clothes in case of an accident, a mat or sleeping bag, and a lightweight blanket and any other important items your child needs like a pacifier or cuddly animal.

Toys from Home

Except for toys that are needed for young children to ease the transition from home to school and special show-n-tell days or special event days, we ask that you not allow your child to enter the building with toys. If an item is brought, we cannot be responsible for seeing that it is not broken or lost. If you have a toy, book, or music which you feel might enrich the children's activities especially during a special unit, please make arrangements with your child's teacher to share it with the class.

Box Tops

You can help our school tremendously by saving Box Tops. We will announce collection dates in the fall and spring. It is a great program and we greatly appreciate your participation.
